**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I can not afford to have price increases which could make telephone and internet services impossible for me.

I know there are many seniors who feel the way I do.

It is threatening at my age to think I could lose my access to affordable telephone and computer service.

Broadband providers are critical for our safety. They are our lifelines. We need more competition, not less.
